Pony Camp

Our goal is to teach the fundamentals of taking care of and riding horses. We accomplish this through hands-on experience and work/art/study in a safe environment. This program is available to children 7 - 12 years of age.

All Pony Campers require an advanced **$50.00** non-refundable deposit, payable to Brek-n-Ridge Farm, 7359 S. Lakeshore Drive, Harbor Springs, MI 49740, attention Kate Etherly. The balance is due the first day of Pony Camp lessons. Pony Camp lessons begin in June and run through August, winter holidays and school vacations.

"One of the things we'd like to share with all of you, as the parents of young girls and boys, is that the stable can be a wonderful leadership school. For example, in our society women and often boys are not always encouraged to participate, speak out or be in charge. In the barn all those qualities are practiced on a daily basis, perfectly matched with compassion (which is also not always present in other forums for practicing leadership). There is no coincidence that many of the great business leaders in the world have an equestrian background."
